The **Topsfield Garden Club** invites you to participate in our **Sixth annual Grow Spring! Expo** to be held on **Saturday, April 13, 2019 from 10:00 am - 3:00 pm** at the Emerson Center, Gould Barn, The Commons 1854 and the Topsfield Town Common. This popular and growing event celebrates local agriculture, horticulture, and environmental preservation, and connects organizations like yours with each other and the wider community. We hope that you will

join us and enjoy the camaraderie of a day among grow local enthusiasts!

Last year's **Market Halls**, located in the Emerson Center and The Commons, housed over seventy exhibitors and vendors. Participants are encouraged to bring locally-grown produce and farm products, garden tools, containers, seeds, bulbs, plants, books, field guides, etc. to sell. A small vendor fee of \$15.00 will be charged only to participants who wish to sell items.

There is no charge for exhibitors who would like to display information about their organization, farm or agricultural related business, or to non-profit groups selling merchandise. Exhibiting at the Expo is a great opportunity to reach out to the local community and offers a chance to meet other gardening and agricultural enthusiasts.

There are many options for participants and visitors to have a bite to eat while enjoying all that the Expo has to offer.

Baked goods, gelato, espresso and other treats can be found in the Market Halls and from food trucks outside. Once again there will be a scavenger hunt for kids, a great hit at last year's event! Several antique tractor, vintage trucks and farm equipment enthusiasts have agreed to return in force with a display of farm machinery.

In the interest of including as much garden and agricultural diversity as we possibly can in the confines of a 50 mile radius, please share this with friends, family, and acquaintances! And, don't hesitate to contact us with a link to someone you think would love to be involved.
